ACROSS THE ANTARCTIC CIRCLE (SAIL/FLY)

Greg Mortimer

130 Guests

11 - 23 February,
2022 (13 Days)

Ushuaia, Argentina to
Punta Arenas, Chile

Venturing below the Antarctic Circle is about more than just earning bragging rights. It is the chance to enter a different world more rarely seen, it feels more isolated and colder than further north, with great swathes of pack-ice and dreamlike icebergs. Thread through pack ice and narrow channels where scenes of ice-clad mountains, feeding whales and lively penguin colonies become lasting memories.

The Vessel: Greg Mortimer

Passengers: 130

Staff & Crew: 74

Built: 2019

Speed: 14 knots

Ice-Class: 1A

Polar Code 6 Compliant

The Greg Mortimer is a 104-metre ship and is a purpose-built & designed polar expedition vessel by the pioneers in polar tourism.

Capable of negotiating the strongest winds and waves, the Greg Mortimer is built to world-class polar standards.

Accommodating 100 landing passengers plus kayakers and divers in the polar regions, with an average of 120 per voyage (see trip pages for individual voyage passenger numbers), the Greg Mortimer redefines expedition cruising for the future. Not only is the ship bigger to contend with adverse weather conditions, its added creature comforts make for a more enjoyable journey out on the open ocean. The Greg Mortimer remains true to our ethos with a focus on multiple landings, flexible itineraries and family atmosphere – just with an improved home base!

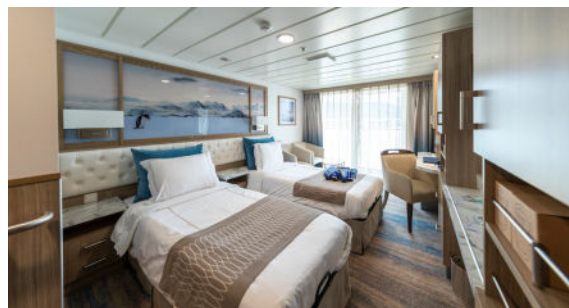

Unique Ship Features

- X-Bow Design
- Rolls Royce Stabilisers
- Hydraulic viewing platforms & 360 viewing deck.
- Zodiac & activity mariners.
- Tier 3 engines produce 80% less emissions
